

Hello Friend!

I hope you have had a great year since I was here last. I love the pumpkins you carved and all of your spooky decorations.

I know you have done your very best to be kind and helpful all year, so I brought you a few gifts to make your Halloween even brighter.

I left plenty of magic for you, as well. Please remember to use it to be kind and do nice things for others.

Have fun and have a great Halloween!

Until next year,
Love Benny
