

**Trick or Treat!
Its time to greet
and say hello to you.**

**Its Halloween and
I've been flapping my wings
to bring a gift or two.**

**From country to country,
All around the world
I'm visiting all of my friends.**

**By writing these letters
With the power of kindness.
The fun seems to never end.**

**I hope you're surprised
And my visit brightens your eyes.
Let's make this spirit last all year.**

**So will you have time
To use the magic inside
And spread some Halloween Cheer?**
